

1st International Congress of
Micro-Immunotherapy 2017
Mallorca, Spain

PRESS RELEASE N°2

1st International Congress of Micro-Immunotherapy (ICoMI 2017)
18-20 May 2017

**Immunomodulation and chronic diseases through the prism of
auto-immunity:
new concepts, new perspectives**

Scientific Committee announcement and Call for Abstracts

The 1st International Congress of Micro-Immunotherapy will be held in Palma de Mallorca (Balearic Islands) under the benevolent guidance of a mixed and international Scientific Committee, composed of eminent specialists:

→ **Pr. Tomohiro Kurosaki (Osaka, Japan)**

- Professor in Laboratory of Lymphocyte Differentiation at WPI Immunology Frontier Research Center, Osaka University.
- Group Director in Laboratory for Lymphocyte Differentiation at RIKEN Center for Integrative Medical Sciences, Kanagawa, Japan.

→ **Dr. Jorge Lalucat Jo (Palma de Mallorca, Spain)**

- Microbiology Professor in the Biology Department at the University of the Balearic Islands.

→ **Pr. Kingston Mills (Dublin, Ireland)**

- Professor of Experimental Immunology, School of Biochemistry and Immunology, Trinity Biomedical Science Institute at Trinity College Dublin.

→ **Pr. Pablo Pelegrín (Murcia, Spain)**

- Scientific Director and Head of the Molecular Inflammation Research Group at the Murcia's Biomedical Research Institute IMIB-Arrixaca.

→ **Pr. Terez Shea-Donohue (Baltimore, USA)**

- Professor of Radiation Oncology, Medicine and Physiology at the University of Maryland School of Medicine.

→ **Pr. Kathryn Wood (Oxford, England)**

- Professor of Immunology in the Nuffield Department of Surgical Sciences at the University of Oxford.

1st International Congress of
Micro-Immunotherapy 2017
Mallorca, Spain

Save the dates:

- **9 May 2016:** Call for Abstracts. More information on the abstract submission guidelines and sub-themes:
<http://icomi2017.org/call-for-abstracts/>
- **10 May 2016:** Opening of early-bird registration. More information on the fees and conditions:
<http://icomi2017.org/announcement/opening-of-early-bird-registration/>
- **30 September 2016:** Deadline for abstracts submission
- **30 November 2016:** Deadline of early-bird registration

Why participate?

The first edition of this Congress opens the opportunity for international experts, scientists and health professionals to meet and discuss the highly topical issue of chronic diseases and the promising therapeutic possibilities offered by treatments based on immunomodulation like Micro-Immunotherapy. All the presentations will contribute to enrich knowledge and to push this specialty area forward.
